Pre- Placement Talks (PPTs)

Pre-Placement Talks prior to placements are an excellent opportunity for students and recruiters to interact. It gives an opportunity to know more about prospective employers-the people, the work culture, and the role and career advancement paths.

It also gives the corporate a chance to create a first-hand impression about their company and attract appropriate candidates for their requirements.

Recruitment Process

- ✓ Interested Companies request HoD, T&P for a new account on the website.
- ✓ With their assigned username/ passwords, companies log in on the TnP website to create the Job Notification Form (JNF) for each profile by a deadline and fill in all details after which students shall view relevant parts of the information and eligible students may apply.
- ✓ Companies are also assigned space on the server on which they can upload any presentations, videos or any other information they want students to see.
- ✓ After the application deadline for students, the resumes are visible to company. The company submits list of shortlisted candidates on the website itself before a deadline.
- ✓ After the completion of selection procedure, the company is required to announce the final list of the students that day itself.
- ✓ If a students is selected, a job is registered against him/her and he/she would not be allowed to appear for further interviews.
